

## ***Latest communication***

08 March 2021

Dear parents and guardians,

Good news! As you may have read in the media yesterday, NSW Health has stated that the following can resume in schools from Monday:

- Parents and carers are able to enter school grounds but should continue to follow COVID safe practices, including social distancing between adults of 1.5 metres.
- Parents and carers can attend school sporting events. School sporting events should align with requirements for community sporting competitions and training activities in NSW.
- There are no recommended limits on singing groups in schools, including for in-class educational activities including repetition, chanting, recitation, or singing activities. Five metres is recommended between a group of performing singers and other people, including the audience and conductor, where practicable.
- Dancing activities, including dance classes, formals and social events, can proceed, but organisers should comply with any venue restrictions.
- Boarding schools have had restrictions lifted on separating cohorts of students to assist in their rooming arrangements and general organisation.

This means the signs at our entrances asking you not to enter the campus will be removed on Monday morning – a historic occasion! It also means we will be reviewing our calendar to see what events we can now reintroduce. You will find the updates in the Daily Digest.

I look forward to seeing you back on campus over the coming weeks.

Julie Townsend
